CHELMER CYCLING CLUB

Interclub 25

Including the Bob Haworth memorial 25

Held on Saturday 30th August 2014, course E83/25

Well I hope everyone enjoyed the event and the 'sporting course' ☺ there were some excellent times, I don't think I have seen an event on there were 4 riders got under the hour, even though it is only 24.5 mile long!

Guest rider from the Cambridge, Chris Pearce was the fastest with a ride that must be close to the course record; James Hockridge from the Colchester Rovers was the fastest of the four interclub teams.

The yearly battle between the Chelmer & Southend for the Bob Haworth trophies for fastest and fastest team of four this year went to the Southend Wheelers, congratulations to young James Jenkins on an excellent ride that placed him third overall and to Jamie Maidment, Lee Baynton & David Pennington for backing him up to win the team trophy.

Chelmer's ladies saved the face of the club by being the fastest 2 ladies, Sue Sill and Ann Shuttleworth both producing excellent rides, though Sue was just on a road bike with none of this fancy tri bar stuff, class ride ☺

It was great to see so many youngsters out enjoying themselves as well, hopefully the future of our sport.

My thanks go to Mike and Christine Gowers for timekeeping, Antony Stapleton, Mary Bower and Caroline Guest (Ford CC) for marshalling, also a big thankyou to Pat Marsh, Chris Reagan and Rachael Watts for doing the signing on and refreshments back at the HQ and Ann Shuttleworth for making the excellent cakes.

Finally a big thankyou to all the riders that supported the event, a field that was larger than some open's, see you next year ☺
